VolCorp Forms Strategic Partnership With TransFund

3/18/19

NASHVILLE –VolCorp is pleased to announce a new partnership with TransFund. Through this strategic alliance, TransFund will provide VolCorp credit unions with a wide range of solutions for card, ATM and merchant services.

TransFund, with headquarters in Tulsa, Oklahoma, is one of the leading ATM/EFT networks and debit card processors in the nation. With over 40 years of experience in the industry, TransFund provides clients with the maximum level of performance, service, and solutions that bring the highest possible value.

“Credit unions are always looking for new affordable solutions to attract and retain members,” said Wade Stapleton, VP, Marketing/Innovation at VolCorp. “This relationship with TransFund gives our member credit unions access to a comprehensive suite of innovative products and services.”

“We are so excited to partner with VolCorp,” said Damon Gardner, VP, Senior Sales Executive with TransFund. “By providing tools designed specifically for growth and free implementation support, we can enable VolCorp credit unions the ability to compete with larger banks without spending a lot of extra time or money.”

About VolCorp:

Volunteer Corporate Credit Union (VolCorp) is a not-for-profit financial cooperative that serves natural person credit unions nationally. Guided by a volunteer board of directors, VolCorp was organized for the express purpose of providing low-cost financial services and competitive investment and lending rates to our member/owners.

About TransFund:

TransFund is one of the leading ATM/EFT networks and debit card processors in the nation. For over 40 years, we’ve worked hard to understand the complexities and challenges facing financial institutions. Our goal every day is to provide our clients with the maximum level of performance, service, and solutions that bring the highest possible value.
